(Jimmie Rodgers)

I love the women I love 'em all the same  
I love the women I love 'em all the same  
But I don't love nobody well enough to change her  
name  
The women make a fool out of me.

Hey my papa scolded me my mama she sat and cried  
Yeah oh my papa scolded me my mama she sat and  
cried  
I got too many women for any little boy my size  
Yeah the women make a fool out of me.

--- Instrumental ---

When I'm in the parlor the girls think it's a treat  
Yeah when I'm in the parlor the girls think it's a treat  
Cause even in the winter time they turn off the heat hey  
Women make a fool out of me.

--- Instrumental ---

Yeah I love the women Lord I love 'em all the same  
I love the women I love 'em all the same  
But I don't love nobody well enough to change her  
name  
Here we go  
The women make a fool out of me...
