Mhm to you I may never be more than just a friend
But you'll always be special to me
To you I may never be closer than I am
But you'll always be special to me.

Maybe I set my sights too high to be real
I may be wrong but love is strong and I can't hide how I
feel
To you I may never be more than just a friend
But you'll always be special to me.

--- Instrumental ---
(You'll always be special to me.)

Maybe I set my sights too high to be real
I may be wrong but love is strong and I can't hide how I
feel
To you I may never be more than just a friend
But you'll always be special to me.

You'll always be special to me...
