Somehow my world came crumbling down
she passed away and I was left all alone
without all hope
with wounds that never step aside.
Which way to go, I do not know,
what to believe, don't care.
Just pain and misery
nothing to make me feel alive.

[chorus]

Each time I see her face it strikes me down and breaks
my spine,
cuts me to pieces deep inside.

Each time I hear her voice it burns like thousand flames
inside.

Nowhere to run, nowhere to hide.

Don't say I can't go on like this.
It is so hard to live with truth and tragedy.
Feelings I cannot throw away.
'Cause only I can feel you now.
What heartless acts took place that fatal summer's
night.
Just pain and nothing left to say.

[chorus]
