How long will I feel this pain  
Yet the pain keeps me close to you  
Cause with everyday comes  
The truth that you're gone  
And I'm left here all alone  
To sort through this mess  
I'm singing the best I can  
I'm doing the best I can

To overcome  
To betray  
I'm holding on  
It's my delay  
Oh sing choir boy

The guilt the shame  
Of forgetting little things  
All the time I spent with you  
Compared to the memories so few  
I looked up to you, you know my friend  
But my pride won't let it show  
I forced a smile and then held back  
Neglecting moments that I had

To overcome  
To betray  
I'm holding on  
It's my delay  
Oh sing choir boy

You gave me love now help me give it away  
You gave me love now help me give it away  
You gave me love now help me give it away  
You gave me love now help me give it away  
Give it away

To overcome  
To betray  
I'm holding on  
It's my delay  
Oh sing choir boy  
(Give me a reason)

Sing choir boy  
(A reason to cry)  
(one more moment)  
Sing choir boy  
(A moment to try, give me a reason)  
Sing choir boy
