Viva la patria fuck

Our lord gervasio created the world in 1 day
And the sunday echo a los espa±oles
You don't Fuck With El General!
Satan is the artigas bitch!

El general wants a lesbian show
Bring fructuoso to join satan
Our procer save the world
And stop the hambre in barros blancos

Viva la patria fuck
And the vino en tetrapack
La pasion de artigas...
Era cogerse a su prima!

Artigas kill the mandinga
With holy caipirinha
And ticholo del chuy

Viva la patria fuck
And the vino en tetrapack
La pasion de artigas...
Era cogerse a su prima!

And then live happy forever
With Ansina drinking mate
In cuero's bombilla
Bleaching the black ass
With agua jane

Y puso un puestito en rivera
De venta de terere contrabandeado
