They say, "truth cuts like a knife"  
and, "the tounge is a double edged sword"  
Tell me, which blade is bigger  
Which blade will win the fight

Plug in to your source, but of course  
Curiosity's forcing your hand, just as planned  
you're buying in to your source, but tof course  
Curiosity's forcing your hand, just as planned  
you're buying in

They say, "You can set the course,  
but you can't force the horse", no  
Tell me, will you fill your belly  
or go thirsty
