

## Through You "Stand My Ground"

I woke up today  
I couldn't feel my face  
and I wondered if I'd even see you  
I passed you through the door  
Hurting even more  
could we ever share a thought or two  
I can't live in this sorrow  
No I just can't take the pain

I want to get out, I want to be free  
I don't want to live on my knees  
and I tried so hard, I just don't think we'll make it  
I want to get out, you want to get in  
but I won't let you cave me in  
I will stand my ground and never fall to pieces

I can see the end  
following the trend  
Hiding from the truth  
that makes us suffer  
No, we never spoke  
Never shared a joke  
as we fell out of love

I'll never fall
