

Through Your Silence "Failure"

Why you look at me?
Hear me look at me
Do you think your gaze can bring me light
And your hearing can give me explanations
Hear me look at me
You don't want to face the truth
You can't look beyond
Sometimes all that you see is yourself
With your fears
You reflect them on me
Suffering fills mi mind
But you don't notice it
You don't hear my words
You think you can feel my pain?
If only you could try to stay silent
You would feel what my body says
Without a word
I retreat in silence
I drop the pen and the glass
I'm deaf and blind, forgive me.
