You've been looking hard
You haven't found what you need yet
Can't seem to pin it down
It's much more than you'd expect

Can't count you out
(Can't count you out)
Have you found it now
(Have you found it now)

Been looking for a long time
To see what you have found
You're here to stay
Although you found everything in our way
Can't stop it now
But don't look down
You'll find the pack of choices
Not the only one

Is that a stop ahead
Which direction would you take
Time to think it through
Just pick you poison, right or left
Which one's for you
(Which one's for you)
Will it be true
(Will it be true)

Been looking for a long time
To see what you have found
You're here to stay
Although you found everything in our way
Can't stop it now
But don't look down
You'll find the pack of choices
Not the only one

Can't
Count
You
Out
Don't look down

Can't
Count
You
Out
Don't look down

Been looking for a long time
To see what you have found
You're here to stay
Although you found everything in our way
Can't stop it now
But don't look down
You'll find the pack of choices
Not the only one
