You she'd no tears  
In all the time  
That I spent with you  
And all your friends  
But when the end  
Draws near  
You're gone  
The emotions surfaced

Why can't you  
Tell the truth  
You seem blind  
To all of this  
There's nothing wrong  
With your kiss  
Seasons come  
And go  
Why can't you  
Just follow

There is no rest  
When you're around  
The attention  
Craved by you  
Has proven to be  
Too much now  
For me to handle

Why can't you  
Tell the truth  
Why can't you  
Tell the truth

You seem blind  
To all of this  
There's nothing wrong  
With your kiss  
Seasons come  
And go  
Why can't you  
Just follow

You seem blind  
To all of this (Why can't you)  
You seem blind  
To all of this (Tell the truth)  
You seem blind  
To all of this (Why can't you)  
You seem blind  
To all of this (Tell the truth)
