Another night again
And I'm sitting here
And in silence
I never thought I'd know
And now I'm passing time
Watching you walk by
Trapped inside and broken

And now you say you're so sorry
But I can't take
This apology
This apology
That's grabbed a hold of me
That's grabbed a hold of me

This apology that's grabbed a hold of me

Another night draws near
Where I'm sitting here
And in sorrow
But this time full of regret
How I wish that I
Could take back the past few years
[- From: -]
Of my life
That I have spent with you

And now you say you're so sorry
But I can't take
This apology
This apology
That's grabbed a hold of me
That's grabbed a hold of me

This apology that's grabbed a hold of me

(Of me)

This apology
This apology
That's grabbed a hold of me

Grabbed a hold of me
This apology
This apology
That's grabbed a hold of me
That's grabbed a hold of me

(Of me)
