Caught between the great mortal divide  
Not quite dead but still not quite alive  
Now go... into the light  
But I can't tell you  
The reasons why  
I'll never join you there  
I can't face this hell alone  
Spiraling through This Continuum

Cheating death ain't what it used to be  
Agony is all that's left of me  
Now go... so far away  
Cause I can't bear this  
Another day  
I'll never join you there  
I can't face this hell alone  
Spiraling through This Continuum

Time has taken all I've known  
Smothering the life I used to love  
All I've got is time... Spiraling  
I can't face this hell alone  
Spiraling through This Continuum

Time has taken all I've known  
Smothering the life I used to love  
In This Continuum
