This is our vendetta!

Long road, We've treaded on since day one. Hard times, We swore we would overcome. Without this where the hell would we be? Dead inside! Enemies - You can't kill what will not die

This is war
This is pure hostility
This is vengance
This is all that's driving me

This is our vendetta!

Dead world, We're "out of step" with liars' times Enemies - We swore we would fight the line This is all that drives us to survive... The life we breathe Power, Strength of the world inside of me.

This is war
This is pure hostility
This is vengance
This is all that's driving me

This is our vendetta against the world
