Don't be mislead, cause all the others say...  
you're insane, for beeing different!  
youve gotta stick to yourself and what you stand for...  
cause when you show em the truth they'll understand  
more of what you want and who you  
really are...  
cause were no different!  
"i can feel it!...can you feel it too?"

cause it's our youth  
and you're in it too  
and that's (this is) all we do,  
so lets celebrate it!

don't break away, from all you ever felt,  
you're not insane, whatever they say...  
youve gotta rip it apart if it hurts you,  
listen to your heart it deserves to be all you trust  
and all you really are...  
cause were no different!  
"i can feel it!....can you feel it too?"

cause it's or youth  
and you're in it too  
and that's (this is) all we do,  
so lets celebrate it!!

now i know these words sound so much like youve  
heard em before and you can't stand it...  
it's all that "you and me and the world thing" you can't  
handle..."you decided to have it your  
way but please let me have mine!" god, i must have  
heard that line a hundret-million times!!  
you wanna drown in your sorrow "poor little me" you  
don't care about "tomorrow" please  
excuse me (?) how fucked (messed) up can you be,  
emotionally, not to feel what were in  
this for?!  
not to see what were in this for!!!??!!!

cause it's or youth..  
and you're in it too..

and that's (this is) all we do,  
so lets celebrate it
