The moon has been constantly bathing the
mountainside
The wind softly washes itself on my face
We all know something's not right
Silver wings burn in the night
We all know that the time has come yet again, friend

Waiting for the Lunar Mountain Sunrise
The warrior stands waiting there
He stands waiting there
Waiting for the Lunar Mountain Sunrise
The warrior stands waiting there
He stands waiting there

We always wanted the best that our lives could provide
And we always knew how to get what we want
We all know something's not right
Silver dreams burn in the night
We all know that the time has come yet again, friend

Waiting for the Lunar Mountain Sunrise
The warrior stands waiting there
He stands waiting there
Waiting for the Lunar Mountain Sunrise
The warrior stands waiting there
His sword in hand

What you tried to say to me
It came so easily
Under a Lunar Mountain Sunrise
Lunar Mountain Sunrise
What you tried to say to me
It came so easily
Under a Lunar Mountain Sunrise
Lunar Mountain Sunrise
Lunar Mountain Sunrise
Lunar Mountain Sunrise

Lunar Mountain Sunrise
Lunar Mountain Sunrise
Lunar Mountain Sunrise...
