As you sit in front of me  
Stars are guides across the sea  
I don't know where they'll take me  
I don't know my destiny

I wish I could weep  
To the ground at your feet  
This world, it will burn  
And my set sails will turn

It's time to bid farewell, my friend  
To the sky return again  
I don't know if we'll meet again  
If we do, I'll see you then

I wish I could weep  
To the ground at your feet  
This world, it will burn  
And my set sails will turn

Here we are again, my friend  
To me you are a godsend  
I was at my living end  
But here we are again, my friend

I wish I could weep  
To the ground at your feet  
This world, it will burn  
And my set sails will turn
