I'm sick of this life  
All the people think  
In rest work and die

Our live is programated  
To serve the system  
All those haven't any sense  
We are only victims

[Chorus:]  
Wait a moment  
Think what you do  
Is your best choice?  
Or just you do (it)

Without conscience  
We are falling  
In the slavery  
Of a big dark abyss

If you are different  
The most of people  
Will look you strange  
Like a himself evil

[Chorus]

The money is the king  
The injustice is the queen  
We are his slaves  
It's a symptom of decay

We must to change  
We don't have much time  
We have to stop  
The crimes against mankind
