Don't be a coward!

We don't choose to live
I don't want to be here
This planet is condemn to die

Look around you
Destruction everywhere
Is the human curse

It seems all we do
Go us to destroy
Another life form

War, power, money
Taken our lives
And enslaved us

[Bridge:]
Our lives, is passing by
We are here, we can't choose
Suicide, is not a choice
Don't be a coward
Our lives, is passing by
We are here, we can't choose
Suicide, is not a choice
Don't be a coward

[Chorus:]
Fast, we go, in life

Our time is short
Don't be a suicide
Don't be a coward
Live this life with strength
You have to fight
Think in what you could loose
Don't kill yourself

Don't be selfish
You have to live
We are here to fight

End with our life
Is an easy exit
I want to live

I try to enjoy
All I have now
I could be worse

Killing yourself
(You) don't fix this hell
Just will die like a coward

[Bridge]

[Chorus]
