Tell me if you want
A life without dreams
I prefer to die
And not live like this

I can't understand
How you think that
I have a lot of dreams
And I fight for this

A life without faith
Without faith in us
You can do anything
If you really want

An empty piece of time
No one know his size
Our life is
(You) better profit your time

[Bridge:]
Time goes by
Time is short
No one knows
How much left us

[Chorus:]
Faster than you think

What you did in life?
Tell me if you can
Or wasted your time

Don't look to the past
Nothing you can change
Better live the future
With faith in you

Don't waste your time
So many things to do
Inside of you
Be strong and bold

Fulfill your dreams
For that is life
Is not easy to do
But we wanna fight

Better start now
To change your mind
Learn from the past
Don't waste your time

[Bridge]

[Chorus]
