Life is just a piece of time
We are here to make it all
Our time is passing by
Live your life free of all
If you lose important things
Try to fight for get (it) again
Sometimes you fall in life
Touch the bottom and find the light
When you are destroy at all
Grows stronger than before
Leave behind useless things
Fight strong and you will win

If you always fight alone
And (you) feel lost in this world

All is against to you
Look behind is not true
If you lose important things
Try to fight for get (it) again
Sometimes you fall in life
Touch the bottom and find the light
When you are destroy at all
Grows stronger than before
Leave behind useless things
Fight strong and you will win

[Chorus:]
Don't be a fool
You're not alone
Find your own true
Listen your soul
Don't be a fool
You're not alone
Find your own true
Listen your soul

Are so many useless things
Find the important fight for it
You will grow, be the strong
Are so many things to do
If you lose important things

Try to fight for get (it) again
Sometimes you fall in life
Touch the bottom and find the light
When you are destroy at all
Grows stronger than before
Leave behind useless things
Fight strong and you will win

[Chorus]
