Fast we play tonight
Feel the music possessing
Your brain when you
Push play

Listen to the chords
Is the sound of storm
With a touch of metal
From below

Speed metal running
In your veins
Is the power of
Metal sound

No one can stop us
No one can stop you
When you listen
Our sound

[Chorus:]
We, bring the storm
Now, fall the world
With, our sound
Is, destruction

Now I can see
That I told you was right
And really
The world is fall

With our screaming guitars
And the thunder bass
Are breakdown
The walls

A powerful voice
And a speed
Drums can
Destroy all

Metal is power

Metal is force
We will

Raise all

[Chorus]

[Bridge:]
Feel, in your blood
Metal, is controlling you
Look, to yourself
Black, is what you wear
Feel, in your blood
Metal, is controlling you
Look, to yourself
Black, is what you wear

[Bridge]
