

Thunder Lord "Vengeance"

Look the sky, there is no light
In earth we will die
The human power will fall
Is this the fury of God?

Try to hide, but you can't
Is too late to change
A earthquake rumble all the earth
With the thunder sound

[Chorus:]
Destruction, madness, fear we see
We fight for salvation, is this the end?
I tell you before and I repeat (it)
The power of humans bring us the end

We destroy all who cross
Our way, no matter what
Thousands of species are gone
With our iron fist

The air, the sea everyday
Are damaged by pollution
This is his revenge
Destroy the man is the only solution

[Chorus x2]
