Warmageddon (Genocide Cult)

[Music written by Paimon and Necrosodom]

Every sinister wish now rises
From the forgotten tombs of the underworld
In awe comes the plague of devastation
Without the bliss of world defiled
Undead and everlasting... Damned

Desecration - baptism of blasphemy
Demolition - atrocity revealed
Scourge of Warmageddon
Genocide cult

Dawn of bloodlust now rises
Conquered is the garden of eden
Stigmatized by beastly serpent's lust
Overbearing, filthy cross is inverted
Holy grail filled with sin... disgraced

Ferocity - holy scum is rotting
Heresy - crooked revelations
Riot of Warmageddon
Genocide cult
