Little Tommy, he was runnin' home from school  
Had a look of love, almost like a fool  
Sittin' in his room heart steaming like a train  
Waitin' for his dad to help him save the day

He's found a girl, the first one in his life  
Needs advise, daddy's always right  
Here comes the car, now he's seeing stars  
Guess who's gonna get a shock  
Could put him behind bars

What mama don't know  
Won't hurt her, hurt her  
What mama don't know  
Won't hurt her

Probably thinkin' what's mama got to do  
With the story Tommy told  
To daddy's payback news  
Papa fooled around, in his younger days  
Now Tommy's brand new love, is sister Mary Jane

Tears runnin' down this heartbroken face  
Daddy tries, tries to ease the pain  
Says "Tommy listen up to what I've got to say  
Don't let your mother know, or hell is on it's way"

What mama don't know  
Won't hurt her, hurt her  
What mama don't know  
Won't hurt her

Tears runnin' down this heartbroken face  
He's gonna pack, and leave this place

Now mama knows  
It hurt her, hurt her  
Now mama knows  
It hurt her  
Now mama knows  
It hurt her, hurt her

Now mama knows
