Chaos Reigns Over Megiddo

[Music written by Necrosodom Anno 2003]

Praise the almighty kings of chaos-no light reigns over
Megiddo

Praise them who made firestorms-thunder reigns over
Megiddo

I swore the oath of chaos, that in my realm so pure

Dismal deity reveal so obscure

Holiness exterminate in the hostile so lethal

Loathe ness of life in it's sinful dwell

Griminess extremism of drastic condemnation

Chaos reigns over Megiddo-In malignancy sacrilegious

Satan reigns over in tempest of sadism, aghast

become

Praise the atrocious malediction-outrage in pest
deformed

Praise the sanguineous voracity-abomination of
devilish manifest

I swore the eternal hate to religion. that in my realm so
pure

Dismal deity reveal so obscure

Cadaverous anguish in it's hostile excommunicated

Obedience of humiliation. Putrified war cry and anxiety

Phantasmagoria celestial-evangelical falsehood

In miasma lugubrious. in ineffable nausea of

sacredness

Chaos reigns over Megiddo-fulsome cruelty executed

Satan reigns over Megiddo-pernicious bigotry'

befouled
