Remember when we used to talk all night
We didn't get much sleep
Talkin' 'bout and plannin' out our lives
And who we're goin to be
Things were so much different then
Life has changed so much my friend
But you and I will always believe.

(Chorus)

Cuz we'll be, you'll see
We'll be
We'll be friends forever
We'll be, you'll see
We'll be like Thelma and Louise
We'll be, you'll see
We'll friends forever

I know that he's been hurtin' you
I've known for awhile
Now you've found love in someone new
I can see it in your smile
I swear your secret's safe with me
I'll tell nobody what I've seen
Whatcha need is perfect trust in me

(chorus)

Cuz we'll be, you'll see
We'll be
We'll be friends forever
We'll be, you'll see
We'll be like Thelma and Louise
We'll be, you'll see
We'll be friends forever

We all need someone we can trust
A friend of our own
I swear your secret's safe with me
Your not alone
Together forever
You can depend

Together we will fight till the end

(chorus)

Cuz we'll be, you'll see

We'll be

We'll be friends forever

We'll be, you'll see

We'll be

We'll be like Thelma and Louise

We'll be, you'll see

We'll be friends forever

(Chorus repeats twice)
