Watching you, watching me
Do you see what I see
Things aren't like they used to be
We've been friends, yes it's true
But I need so much more from you
Now I've got to make my move

Oh, it's about time that you were mine
(hoo hoo, hoo hoo)
And I said, it's about time that you were mine
(hoo hoo, hoo hoo)

Don't miss this opportunity
My fantasies are so extreme
I can tell now that you agree
You're my up, when I'm down
Feels so good when you're around
It's about to happen now

Oh, it's about time that you were mine
(hoo hoo, hoo hoo)
And I said, it's about time that you were mine
(hoo hoo, hoo hoo)

Anticipate, communicate
It's no mistake, it's our fate
Stay up late
'Cos I can't wait, I can't wait, I can't wait
Don't deny, satisfy, I know, it's right, what I like
This is why, it's our night, tonight

Oh, it's about time that you were mine
(hoo hoo, hoo hoo)
And I said, it's about time that you were mine
You were mine (hoo hoo, hoo hoo)
You want that, oh, we could get it on all night
(hoo hoo, hoo hoo)
C'mon now, it's about time that you were mine
(hoo hoo, hoo hoo)
That you were mine (hoo hoo), that you were mine (hoo
hoo)

Yeah you were mine (hoo hoo), you were mine (hoo
hoo)
It's about time (hoo hoo), it's about time (hoo hoo)
That you were mine (hoo hoo)
Yeah, get it on, just get it on (get it on)
Just get it on (get it on)
It's about time that you were mine
(hoo hoo, hoo hoo)
It's about time (hoo hoo), that you were mine (hoo hoo)
About time (hoo hoo), it's about time (hoo hoo)
That you were mine (hoo hoo)
It's about time that you were mine tonight
