Drove down to Mexico for a while yea
Went there for business, I never cracked a smile
Met my connection, everything seemed right
Headed back to Brooklyn in the dead of the night
Had a feeling something wasn't right
Locked in my mirror, oh no, its flashing lights

Busted at the border
Busted
Looks like I'm doin' time
Long time long time
Busted at the border
Busted
Looks like goodbye to daylight

Eight hours later still sitting in the jail
Charged with possession, I can't make the bail

I called my lawyer, he said your on your own boy

I got busted at the border
Busted
Looks like I'm doin' time
Long time long time
Busted at the border
Busted
Looks like goodbye to daylight

Finally saw the judge, he was lookin' mean
He said my type don't belong on the streets
Now I'm doin' twenty, maybe out in ten again
Busted at the border
Busted
Looks like I'm doin' time
Long time long time
Busted at the border
Busted
Looks like goodbye to daylight
