It's like rollin' in like thunder  
Save me from going under  
Don't wanna sell my soul  
Don't wanna take a fall  
I'm talkin' to myself  
I just can't take no more  
There's no doubt about it I am

A city cornered man  
That's what I am  
A city cornered madman

Bolts are locked on every door  
Even though you're hurtin'  
Find yourself screamin' for more  
Locked behind the door  
'Cause it goes on and on  
And it don't feel so wrong

There's no doubt about it I am

A city cornered man  
That's what I am  
A city cornered madman

It's like rollin' in like thunder  
Save me from going under  
Don't wanna sell my soul  
Don't wanna take a fall  
I'm talkin' to myself  
I just can't take no more  
Just get out of my face  
There's no doubt about it I am

A city cornered man  
That's what I am  
There's no doubt about it I am  
A city cornered man
