Music: T. Pulit / H. Wolter; Lyrics: T. Pulit

You're stayin' home all of the time  
And what you're doin'  
It's gonna make you blind, yeah  
You tell yourself you ain't got a friend  
Look at you, feelin' sorry 'til  
The bitter end

Well you better hold on  
'Cause it ain't over  
Just let the music  
Take you away

Let go  
C'mon let go, yeah  
Let go

C'mon let go, yeah

You never talk, don't take a stand  
This boy's never gonna be a man  
Years ago, ya just didn't know  
It's comin' time  
Someone's got to tell you so

You better hold on  
'Cause it ain't over  
Just let the music  
Take you away

Well you better hold on  
'Cause it ain't over  
Just let the music  
Take you away
