Feels like - I'm caught up in the middle of a shakedown
Baby - I think I'm headin' for a breakdown

Was lookin' in the mirror
Finding a reflection
It's so crazy starin' back
Back in rejection

Live with it
All of my life
Livin' the moment
To see what you find
You got to live with it
All of the time
Feelin' the pain
Wanna see me hanging

People - think it's a game that I'm playin'
They don't - see the dues that I'm payin'

Committed crimes that I denied
Keepin' to the lies
Never thought I'd get it right
A thief in the night

Live with it
All of my life
Livin' in the moment

To see what you find
You got to live with it
All of the time
Feelin' the pain
Wanna see me hanging

"Ya know every night it's the same old thing
Everyone's in my way but that's gonna change ya hear
me"

Live with it
All of my life
Livin' the moment

To see what you find
You got to live with it
All of the time
Feelin' the pain
Wanna see me hanging
Live with it
All of my life
Livin' the moment
To see what you find
You got to live with it
All of the time
Feelin' the pain
Wanna see me hanging
"You thought I'd walk 'round lookin' down I'll spit on this
town"
