Music & Lyrics: T. Pulit

Hot lookin' lady  
Dancin' out on the floor  
Movin' to the left  
To the right  
I want some more  
You're lookin' good  
But you're to far away  
So come a little bit  
Closer my way  
Hot love  
Burnin' like a flame in the night

'Cause I'm ready  
I'm ready to roll  
I'm ready  
I'm ready to roll

Sittin' in my hotel  
Waitin' for you after the show

Ya said you'd take me  
Out on the town  
Show me what you know  
We stayed out all night long  
Ya know we  
Made it feel like  
There was no tomorrow  
But now I'm back on the town  
With the time I borrowed

We stayed out all night long  
Ya know we  
Made it feel like  
There was no tomorrow  
But now I'm back on the town  
With the time I borrowed
