[Music: H. Wolter; Lyrics: T. Bullet]

Spendin' money and all my time
To make my baby mean, 'cause my woman pisses
gasoline
454 and screamin' for more, I'll take what she's got
Nobody fuck with me tonight

Tommy's back, says "No way I lose"
Choose your lane boy ya know I can't refuse

We got redline overtime tonight
Redline overtime tonight
We got redline overtime tonight
Redline overtime tonight

Wakin' up in the early morning such a bad mistake
Sweet evil runnin' through my veins
Tune 'er up and shut 'em down, pistols crackin' load
My baby love to please a crowd

Last time out ya know I jumped the light
Bet your ass this time I'll hang 'em out to dry

We got redline overtime tonight
Redline overtime tonight
We got redline overtime tonight
Redline overtime tonight

Spendin' money and all my time
To make my baby mean, 'cause my woman pisses
gasoline
She waitin' anticipatin' for another ride
We know they'll never take our pride (No way)

Tommy's back, says "No way I lose"
Choose your lane boy ya know I can't refuse

We got redline overtime tonight
Redline overtime tonight
We got redline overtime tonight
Redline overtime tonight

Redline overtime tonight
Redline overtime tonight
Redline overtime tonight
Redline overtime tonight
