[Music & Lyrics: T. Pulit]

In the morning
Don't say you care
'Cause you wanna keep me to yourself
And I don't wanna share

Always pushin'
'Cause that's your style
Well there's only so much time for you
And I got better things I need to do

'Cause you don't
You don't keep me satisfied
You don't, you don't keep me

Hit the nightlife, I lost control
Now there's trouble
Walking in the streets of Rock'n'Roll
Hangin' with the guys

Well I told her just to get away
Now there's nothing left
For me to say
