[Music: H. Wolter; Lyrics: T. Bullet]

Friday night just hangin' round  
Little gipsy wanna have some fun  
I need a little crazyness  
Somethin' that will make me come undone

My brain's on fire, I wanna get higher  
No ones gonna bring me down  
Can't take no more

Livin' the town, ya gotta fight  
Hangin' around ya get no piece of mind  
It's another story every night  
And there's no doubt about at all

Save me, baby I'm running late  
I'll be the one who's left behind  
Save me, baby I'm running late  
I'll be the one who's left behind

I was lost didn't have a chance  
Never knew what I was fighting for  
Forgot where I was coming from  
Won't forget to even up the score

My brain's on fire, I wanna get higher  
No ones gonna bail me out  
Can't take no more

Livin' the town, ya gotta fight  
Hangin' around ya get no piece of mind  
It's another story every night  
And there's no doubt about at all

Save me, baby I'm running late  
I'll be the one who's left behind  
Save me, baby I'm running late  
I'll be the one who's left behind

Save me, baby I'm running late  
Save me, baby I'm running late
