Music & Lyrics: T. Pulit

I lost myself looking for you
Swore that was one thing
I'd never do
Looking for shadows of you in the night
Tellin' myself I know I ain't right

Seems like I'm always the last
One to find out
Just what's going on
I hear your friends talkin'
They say you don't want me
It's the same old song

'Cause I know what you're thinkin'
That your love is sinkin'
Take me - take me
Take me to the limit - one more time
Take me - take me
Take me to the limit - one more time

I guess there's no use
Thinkin' that you'll stay now
This love is dead at last
Before you walk out
And leave me standin' here alone
I know it's wrong to ask

'Cause I know what you're thinkin'
That our love is sinkin'
