Got my engine racin'
Love to feel her shakin'
No electric start for me
Gonna kick her in the ass and let her kick back at me
Burstin' down the road
I'm the one who rides alone
Got my woman hatin' me
Cause I tell her I'll be home close to three

Now it's ten o'clock you know what time that is
Time to rock, time to rock
Headphones cranked up loud
I'm feelin' mighty proud
Time to lose my mind

I'm on a torture ride
Feelin' fine
On a torture ride

Blood runnin' down my nose
Motherfuckin' everyone I know
Just another hopeless week
Lucy caught in bed with another creep
Said "Johnny you're a fool"
Dump the bitch and forget the rules
Get yourself a good machine
Forget about the way that it used to be

Don't let it pass you by
Cause time is on your side
Pass you by, pass you by
Kiss it all goodbye and do it all in style

All in style, c'mon let's get wild

On a torture ride
Feelin' fine
On a torture ride
Movin' down the road
Doin' it on my own
Never gonna listen to you
No matter what you say or do

Makin' sure you can't ever understand
What makes me feel this way
Can't hold on to yesterday

Got my engine racin' Love to feel her shakin' No
electric start for me
Gonna kick her in the ass and let her kick back at me
Burstin' down the road
I'm the one who rides alone
Got my woman hatin' me
Cause I tell her I'll be home close to three

Now it's ten o'clock you know what time that is
Time to rock, time to rock
Headphones cranked up loud
Feelin' mighty proud
Time to lose my mind
Time to lose my mind

I'm on a torture ride
Feelin' fine
On a torture ride
