So I decide to close my eyes, and age, for while Take a hint, relax, the time, It's only thursday, to hell with this day

Keep me hangin on, I can't remain Keep me hangin on to your embrace When I saw you for the last time I sing to you, of salvation

So you're on display , but I'm the one they want this time
So you're on display, but I'm the one they want this time

Keep me hangin on, I can't remain Keep me hangin on , to your embrace When i saw you for the last time I sing to you, of salvation

So you're on display but I'm the one they want this time So you're on display but I'm the one they want

Redefine, redefine son Swimming through convictions

Keep me hangin on, I can't remain Keep me hangin on to your embrace Keep me hangin on, I can't remain Keep me hangin on to your embrace
