As i sit by myself
Ive come from so
So far away
In such little time
I have killed
My soul
My mind
Ive tried so hard to find
Is this what i must do to get by
And i ask myself why?

Why don't run
Why don't you call me
Out to you

Ill find my way
Or will you help me
Help me share

Wish you understand me
Listen to what i say
Turn her back on my dreams
Watching
Waiting
Find my way out
Turn your back on my dreams
So strong
So weak
But so disused
Is this what i must do

Decide
Why
I know (x3)

Why don't run
Why don't you call me
Out to you

Ill find my way
Or will you help me

Help me share

Ill find my way (x9)
