[thurston]

Peddle light - i see it's on  
I'm drivin by - in my fat mobile  
Now i know - what it's like  
To be a germ - it's shot down deer  
Oh buy again - it's buy again  
Fun is me - yeah it never ends  
Pick it up - and push it in  
Rub it out - it's a soldier

Cinema goes down again  
Clint does not move an inch  
Esp will work it out  
Open yr windows give a cindy shout - to me

Rock and roll - it's a shame  
That you did - all you did bored plain (?)  
Seek it out - on the grass  
Fun is me - it's sashi fresh  
Purple jack - purple crap  
Look at me - and sip your sap  
Pin up boy - pittty the hoar  
That rocks a bath - on a cold dish  
Soon behave  
I wanna be  
Not today  
But some time real soon  
Lock me up  
In your bathroom  
Come and shout  
And latch the backdoor - for me

Sipping wine - sipping lies  
To be sure - it's a worthy cause  
Fun and games - running things (?)  
I can't stay - his share is hot  
Hotter than hell - sets right style  
Burnin rubber - on the a.m. dial  
With me up - another time  
And now i know - i'm blazed out  
Soon behave

I wanna be  
Not today  
But some time real soon  
Fox on the run  
Foxy light world  
Roll another one  
And burn the light girl - for me
