Thurston]
I'm searching for yr beat
Black sister stony beat
Post office freaks her out
Shock to me come on out
Oh patti leaky heart yeah
Girl gotta heavy heart oh
She crazy self and I yeah
She's making me a dog it's alright
Black beetle
I'm sulking this and feet
Black Patti's rich and sweet
You're poor enough for me
Poor enough to eat a tree
Eat it up and rock into it
Little girl can not munch through it
Back into your patti bueno
Patti record cafeine stain
Oh, no
Black beetle
