

## Thy Serpent "Circle Of Pain"

Visit "[Circle Of Pain](#)" on MotoLyrics.com

Your blood was the one in the Mirror  
the one dripping its way down the wall  
the drops that would soon touch the floor  
adventuring each bottomless hole between  
Halls fill with this precious gift  
that have somehow escaped through your skin  
could it have something to do with me ?  
show me your arms, your body...why yes ! it was me  
Screaming you are, wonder why so pale and helpless ?

was it not pain you sought out of life  
was it not you who chose to live for misery  
and to be like your greatest idol jesus christ...  
..decorated with Nails  
So bleed now, beg for the relief of death  
for that would be a waste to let you die  
now taste life's greatest gift, pain  
I shall never release you from this life...
