[Intro]

Chorus:

Take me as i am
Or leave me where i stand

Don't judge what you see
Cause all you see is me
Take me as i am
2x

Verse1:

If You cant appreciate me
Leave
Cause ill never be nobody else
Yes, you can hate me
Please
Cause im only gonna be myself
Im full of love and happiness
No time for pain and sadness
I aint never trying to be nobody else
Cause im occupied being myself

(Chorus)

Verse 2:

Independent lady,
I should write a declaration,
While you looking at me sideways ,
Having side conversations
I am classy,
Gone head and let me school ya
My flow will pick you up and drop you off like a school
bus
The word me,
It makes me wanna shout it
Because its all real, thats why i love to think about it
Individual lady,
Comparison, theres none
Im not conceited, i just love myself
Because theres only one, biam!

(Chorus)
