I cannot forget all of the times you helped me through
it all.
You're always there whenever I need somebody to call.

This is my song, This is my thank you, you were there
all along Thanks for all you do.
This is my song, This is my thank you, you were there
all along Thanks for all you do.

-I can't Forget, The Love You Give

This is my song, This is my thank you, you were there
all along Thanks for all you do.
This is my song, This is my thank you, you were there
all along Thanks for all you do.

Thanks, for you care, love and guidedance from what
may come.
If there is someone, that should be appreaciated, of all
you're the one.

-I can't Forget, The Love You Give

This is my song, This is my thank you, you were there
all along Thanks for all you do.
This is my song, This is my thank you, you were there
all along Thanks for all you do.
