CRAZY OVER YOU

When I see you walking down the hallway in school
things go across my mind.
You smile ask me how im doing and I say fine.
Knowing that I feel some type of way I manage to say
ok,
That's when I realize.

Boy im going crazy over you, you got me doing things
that I would never do.
Boy I wanna take and make you my own toy.
I'm going crazy over you, you boy.

As I sitting in class not listening to what my teacher
says.
Writing x and o's in my notebook checking out how
good you look.
I'm thinking bout how far we can go, all that we can be
I just wanna see.

Boy I'm going crazy over you, you got me doing
things that I would never do.

Boy I wanna take and make you my own toy.
I'm going crazy over you, you boy.

Yea, im going crazy over you, you make me do things
that I would never do, like stop and stare and look in
your eyes. Now I know I feel some type of way by my
feelings inside.
Boy I'm going crazy over you, you got me doing
things that I would never do.

Boy I wanna take and make you my own toy.
I'm going crazy over you, you boy.

I'm going crazy, over you
I'm going crazy, over you
I'm going crazy, over you
I'm going crazy, over you
boy Yea.
