Egzile
Lyrics: Tibob
Music: Tibob

Nou jiferan depi lontan nou depaman
Hmm men jiskaprezan
Nou depÃ²te nou vwayaje nou egzile

Hmm gade nou
Sou tout latÃ¨ n gaye n san direksyon
Peyi nou
Ape trimen nan w vag dezolasyon
Pagen pÃ²syon ki pou ba l gerizon

Nou ta vle
Tounen yon jou pou n sÃ¨vi peyi nou
Nou reve
Men lespwa nou ap retresi chak jou
Kalkilasyon vanse fin fÃ¨ nou fou

Se vre n travay san chitatann
Se sa moun lakay pa konprann
Kote n pase n se etranje
Nou fatige ak prejije

Nou konnen
Nou se yon pÃ¨p ki pa p dekouraje
Nou sÃ¨ten
Nan bay lanmen yon jou n a va rive
Se sÃ¨l maji ki ka fÃ¨ n delivre

An n ale
JenÃ¨s nou se lafÃ²s nou se lespwa
An n lite
An nou montre moun yo nou toujou la
Nou se yon pÃ¨p ki konnen fÃ¨ listwa

Si jodi la nou ajenou
Se pa vwazen se fÃ²t pa nou
Nou vann nanm nou pou plat manje
Foli pouvwa fÃ¨ n divize

Refren
Ayiti, sispann krazebrize
Pou nou ka vanse
Ayiti, an nou serekole
Konsa n a rive

Ban m lÃ¨ pou m pale menm si lÃ²t fache
Dat nou egzile nou pe pa chenbe
LagÃ¨ se sa n plante ak imoralite
ChÃ¨ nou plen mechanste
Ki sa n te vle rekÃ²lte (la)

Refren

Peyi n fin kraze tÃ¨lman n divize
GouvÃ¨nman pase anyen pa regle
Vire tounen n tonbe nan goumen
N ap viv nan chen-manje-chen
Politisyen fÃ¨ nou fÃ¨ tenten

Se tout kote n ale nou yo divize
Se tout kote n pile nou yo imilye
W a di n pagen peyi
W a di nou san patri
Responsab nou yo
GenlÃ¨ n pa wÃ¨ nou nan dlo

Refren

Di mwen ki kote n prale
Si n pa gen linyon
Si n pa ke fÃ¨ wout ansanm
Pou n delivre
ChÃ¨che koneksyon
Pou nou ka fÃ¨ wout ansanm
Menm si nou pa dakÃ²
Nou ka kreye w akÃ²
Pou nou pa pÃ¨di tan
Pou nou pouse douvan
2004 rive, tÃ¨t nou debraye
Nou pa ka mache konsa
FÃ² n chita pou nou pale
FÃ² n chita pou n eksplike
Nou pa nan pÃ¨di tan
FÃ²k nou pouse douvan
Se peyi pa w se peyi pa m ...

In exile

Like wanderers
We’re everywhere
Disbanded, dismantled
Hmm! hmm! nothing has changed
Crossing oceans
Traveling continents
We’re in exile
Hmm! hmm!

Look at us
Without destination we’re scattered
On the face of the earth
Our country
Is sinking in the ocean of desolation
No potion can relieve it's pain

It’s our desire
To go back some day
To rebuild our country
We dream on
But our hope keeps on shrinking
This pain is killing us softly

We do work unceasingly
But our folks back home don’t get it
Where ever we go we are strangers
We’re tired of being discriminated against

We know
We’re a people to never lose hope
We’re certain
Unity will get us there some day
That’s the only magic to deliver us

Come on
Young souls, we’re the power, the hope
Let us fight
To show the world we still have it
We’re a people that made history

If today we’re on our knees
We’re the only ones to blame
We’re selling our souls for food
The lust for power is still dividing us.

Chorus
Haiti, stop the genocide
We’ve got to move ahead
Haiti, let’s be united
Then we’ll know victory

I need to talk
Others will get upset
So long in exile
Can’t hold anymore
Crime, immorality, war are our seeds
We step over respect and love
What do we expect?

Chorus

Our country is destroyed
We’re so divided
Governments come and go
Our bad destiny seems untouchable
For nothing we start fighting
Like wild savage beasts
Politicians keep on deceiving
God, come rescue the Haitian people!

Everywhere we go
We’re humiliated
Every road we take
We’re disappointed
It’s like we have no family
It’s like we have no country
Our government officials
Can’t you see we’re dying!

Chorus

Tell me where we’re heading
If we’re disbanded
If we can’t work side by side
We’ve got to connect
And walk side by side
If we wish to make it.
