Inside of Me

You are gone (oohooohoo)
You are (IÃ¢ÄÄ™ m going crazy!)
How to follow your steps
When youÃ¢ÄÄ™ re already gone

As I get in youÃ¢ÄÄ™ re taking off
You donÃ¢ÄÄ™ t even say good bye
Without a word you let it all drop
I never knew I was wasting my time
But I was chasing the wind

You are gone nowhere to be found
How do I explain
I was seeing myself through you
You let go, left with no warning
Oohooohoo IÃ¢ÄÄ™ m in trouble

Bridge
It is my destiny (it is)
To always be late
(thatÃ¢ÄÄ™ s why IÃ¢ÄÄ™ m all alone)
To be lost in the turmoil of times
(in the turmoil of times)
My fate is never far (never)
Stepping over my toes
(a fate I donÃ¢ÄÄ™ t understand)
IÃ¢ÄÄ™ m losing my mind because youÃ¢ÄÄ™ re
married

Your childish voice hypnotizes
Making me dream time and again
ItÃ¢ÄÄ™ s that sweet song
That makes my mind travel
IÃ¢ÄÄ™ m no magician how could have I known
That loving you was a hopeless folly

You are gone nowhere to be found
Oh I didnÃ¢ÄÄ™ t know
If your heart was someone elseÃ¢ÄÄ™ s
You let go, left with no warning
Oohooohoo IÃ¢ÄÄ™ m in trouble

Bridge

Get closer, my friend
IÃ¢ÄÄ™ m begging you
Ooh ooh ooh ooh ooh

Chorus

WeÃ¢ÄÂ™ re entwined
(together, my friend)
IÃ¢ÄÂ™ m bound to be your shadow
(everyday guided by your breath)
YouÃ¢ÄÂ™ re in my blood
(ooh anh anh ooh anhmm!)
YouÃ¢ÄÂ™ re gone still you live in me
(weÃ¢ÄÂ™ re wrapped & tangled by the blood)

In dark corridors

IÃ¢ÄÂ™ m dragging up your name (Looking for you)
On all roads
My voice is shouting out (canÃ¢ÄÂ™ t find you)
Today becomes tomorrow
IÃ¢ÄÂ™ m still out there (Looking for you)
ItÃ¢ÄÂ™ s time to defeat my pain
Please come back

Chorus

On all back roads of hope
I bear my cross (Looking for you)
Even on Happiness Street
IÃ¢ÄÂ™ m searching (canÃ¢ÄÂ™ t find you)
My bodyÃ¢ÄÂ™ s on the bed
Awaiting (Looking for you)
For your face to surprise me
Please come back

Chorus
