She can be white, she can be brown  
She's always easy going down, going down  
She don't care what I look like or how I dress  
She never says, no, always says, yes

Oh, sugar, she's refined always normal priced  
She blows my mind, sugar, she's got the power  
Soothes my soul for half an hour  
Half an hour, half an hour, half an hour

Twinkies, oh my God, I love them

She's my honey, she's my God  
I'm a cream puff, she's my sweetheart  
Knocks me out and strips me bare  
Sugar, sugar, sugar, I won't care

Late at night when I'm sad and lonely  
One thing only cures my blues  
Stressed out, burned out  
Hanging by a string, sugar, sugar, sugar  
I won't feel a thing sugar so sweet

Sugar, sugar, sugar you got me  
Kissing your, oh, kissing your, oh pretty baby  
She don't care, she don't care  
What I look like or how I dress  
She don't care, no, no, no, no, no, no, no

The only thing I know is that she makes  
My life such a mess, oh, yes

Sugar, oh yeah, sugar, sugar, oh yeah  
Sugar, oh yeah, yeah, yeah  
Sugar, sugar, sugar, oh yeah  
Sugar, oh yeah, S U G A R, ooh
