"In The Eyes Of Death"

Visit "[In The Eyes Of Death](#)" on MotoLyrics.com

I gaze into these eyes, the eyes of death
I am captured by my malignant mask
In my surroundings mortality uncontested

Unconscious I fall into death's bed
In dreams I now burn
A dream of demonious winds and shadows
The bringer of...

Dark elements and endless
Horizons of darkness meet
Through an endless mist I wander

Suddenly I am united with my malignant mask again,
I find myself walking paths of times before these times
Until I meet the end
Then I saw myself dead...
