Oh, you can't know how happy I am that we've met  
I'm strangely attracted to you  
There's someone I'm trying so hard to forget  
Don't you want to forget someone too?

It's the wrong time and the wrong place  
Though your face is charming, it's the wrong face  
It's not his face but such a charming face  
That it's all right with me

It's the wrong song in the wrong style  
Though your smile is lovely, it's the wrong smile  
It's not his smile but such a lovely smile  
And that's all right with me

You can't know how happy I am that we've met  
I'm strangely attracted to you  
There's someone I'm trying so hard to forget  
Don't you want to forget someone too?

It's the wrong game with the wrong chips  
Though your lips are tempting, they're the wrong lips  
They're not his lips but they're such tempting lips  
That if some night you're free

Well, it's all right, yeah it's all right with me  
It's not his smile but such a lovely smile  
That's it all right with me

You can't know how happy I am that we've met  
I'm strangely attracted to you  
There's someone I'm trying so hard to forget  
Don't you want to forget someone too?

Yeah, it's the wrong game and the wrong chips  
Though your lips are tempting, they're the wrong lips  
They're not his lips but they're such tempting lips  
That if some night you're free

Oh, it's all right, yeah it's all right, baby it's all right  
Well, it's all right, baby it's all right, whoa it's all right  
Tell me that it's, tell me that it's quite all right

All right, all right, all right with me
